

# THORN: Sconce 301

Shown in Polished Black metal, and Opal White glass with silver leaf base

## Description

The sconce 301 has (1) 4.5 watt dimmable LED bulb with a hand blown glass difusser. The 5" diameter back plate flush mounts to the wall with 2 screws into a recessed j-box. Hand made glass diffuser comes in 4" diameter egg shape. Glass can be custom color and/or made with an added gold or silver leaf base option. Glass is shown here with Opal White glass and silver leaf base. Custom finishes subject to up-charges.

This series pays homage to Constantin Brancusi's stunning combinations of shapes and materials. The Sublimation-Thorn Collection is a series of thorns, glass eggs, ellipses, and rectangles. Fixtures are seen as compositions of these elements in different configurations and finishes. The collection features customizable chandeliers, pendants, 2 styles of standing lamp, and 2 styles of sconce.
