

BLADE

LIGHTING | Indoor
BAXTER P.

Baxter's Blade lamp collection achieves the perfect union of minimal aesthetics and versatility through a design with a refined, minimalist look. Distinguished by linear shapes that make it suitable for any context, Blade pendant lighting enhances any space by infusing it with intimate, diffuse LED light. Each lamp is a unique work of art, distinguished by the strong artistic impact of the hand-oxidised finish of the coating, available in nickel silver or brass versions.

Model: lamp with LED light source. Assembly required.

Structure: frame in material of choice with matt varnish.

Base in material of choice.

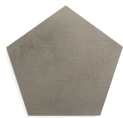

Covering / Coating: the oxidations, unique and organic, are completely handmade.

Specify the chosen dimmeration in the order.

Compared to the sample present in the materials documentation, the antiquing of the brass is different for this model; please refer to the photos.
