

GOOGIE

LIGHTING | Indoor
DRAGA & AUREL

The modular Googie lamp by Draga&Aurel furnishes walls and ceilings with the elegance of a sculptural piece, designed to create unique room lighting arrangements thanks to its modules. The creative design of one or more Googie modules lends movement and identity to any room. The curvy shapes of the white opal methacrylate lampshade with a satin brass finish diffuse a warm, soft light from an angle, creating solids and voids, shadows and reflections, giving a sophisticated sense of dynamism.

Model: modular article. Assembly required.

Structure: white lampshade in printed opal methacrylate.

Decoration: satin brass details with matt varnish.

Lighting: IED board 2700K – 15W. 110/240V – 24V power supply. 1620 lumens.
