DRAGA & AUREL

"Having your head in the clouds" means forgetting about your worries for a moment, freeing your mind and giving space to your imagination. The Nuvola lamp collection designed by Draga & Aurel for Baxter conveys this sense of freedom and allows you to explore new horizons thanks to lighting solutions that resemble works of art. The chosen material for this dreamy environment is white fibreglass which, rich in visible textures and modelled in undulating, light and sinuous forms, is reminiscent of a cloud that gently reveals the sunlight.

Model: lamp with LED light source. Assembly required.

Structure: frame and details in satin brass-plated metal with matt varnish.
