

Bouquet

ACCNBQT.00195

Bouquet combines classicism, elegance and originality with multifaceted uses. Protagonist on the night table or in the corner of a living space, Bouquet gives a soft light suitable for reading and relaxing. A luminous sculpture that once switched on highlights the delicate play of chiaroscuro created by the 'folds' of the diffuser. The design of theabatjourine (2006) is by Luta Bettonica and Mario Melocchi, a tribute to the original design by Franco Bettonica who was inspired by origami in 1965 to create an eccentrically shaped ceramic vase.
