Recessed wall light Alwaid 2, 4 W, 3,000 K, white

The ALWAID 2 recessed wall light fits into any 68 mm standard or deep switch box thanks to its compact design. Furthermore, it does not require an additional power supply. The variety of covers allows you to find a style that suits your space and illuminates your surroundings with beautiful indirect light. The article includes the base only; covers are not included in the scope of delivery.

Special features

- 230 V direct connection
- · Feed-through wiring possible
- Can be dimmed using leading-edge phase dimmers or trailing-edge phase dimmers
