

MIMICRY Round

The 360° radial emission is indirect to minimize glare
The light source consists of 60 Midpower LEDs (10Wled; total power 13We)

Integrated power supply 220-240V

CCT: 2700K, 3000K and 4000K CRI≥80

Diffuser in transparent polycarbonate obtained by injection and stabilized, resistant to UV rays.

Class I

IP65

Stainless steel wall fixing bracket and gel connectors included.
