

## GIADA LED 1X 30W 30K 110°

Code: 3740-01-21

Giada has been developed to use the new COB LEDs sources with a high power in an innovative design, ensuring a passive heat dissipation. Giada is the ideal union between miniaturization and high efficiency. Its special shape fits on the wall with a discreet and appealing look, providing a pleasant and functional light diffusion. The holes in the upper and lower parts of the fitting have been designed to emphasize the colour of the wall behind, and to create luminous scenic effects. Giada is available in a one-LED version for indirect light only.

### General specifications

Installation environment	Interior
Native mounting type	Surface mounted
Mounting type	Surface mountend
Ideal application locations	Residential, Hospitality, Showroom, Museum, Office, Commercial space
Packaging	Box
Made in	Italy

### Physical specifications

Body color	White
IP	IP20

### Lighting specifications

N° of light sources	1
Luminous luminaire (lm)	3350
Power / Consumption (W)	30
Light type	White
Color Temperature	3000K

### Optical specifications

Emission type	Direct monoemission
---------------	---------------------

Light beam distribution	Symmetric
$\alpha$ (°)	110
Optics type	Symmetric beam diffuser
Optical diffuser finish	Opal

### Electrical specifications

Light source type	LED COB
-------------------	---------

### Dimensions and weight

Length (mm)	185
Width (mm)	133
Height / Thickness (mm)	108

### General conditions

Warranty	5 years
