Materials

The lampshades are handmade solely out of reused PET bottles and local fibers depending on the collection. Gurunsi: Elephant grass (*Pennisetum purpureum*).

Maintenance

Gently wipe the lampshades with a damp towel, avoiding the use of ammonia, solvents or abrasive cleaning products. PET Lamp is a handmade product and small imperfections and irregularities in colors and shapes are part of the aesthetic and value of the product.

The residual heat generated by the LED bulb does not affect the PET bottle neither the safety use of the lamp.
