

Floor lamp

Carl 165

Height: 165

Width: 54

Lighting: E27

Shade: conical round

Shaft: wood

The Carla 165 floor lamp impresses with its cleverly designed lampshade with decorative fringe decoration, which combines a nostalgic appearance with modern charm. The round fabric lampshade, made in-house, can be individually adjusted in size, color and details - for perfect integration into any stylish ambience.

The artistically crafted wooden base is a real eye-catcher. With its curved design and precise workmanship, it stands out as a special detail. Thanks to our staining process, the color of the wood can be adapted to your wishes in order to correspond harmoniously with the lampshade and other elements in your room.

The Carla 165 floor lamp combines functionality with character and is the ideal choice for sophisticated hotel rooms or prestigious lounges. A handcrafted, unique piece that fills every room with style and comfort.
