

Ceiling light

S6884

Height: 180

Width: 155

Lighting: E14, LED

Shade: round

The S 6884 ceiling light impresses with its extravagant design, which perfectly combines luxury and elegance. The inner crystal chandelier not only ensures a first-class lighting arrangement, but also casts fascinating shadows on the translucent outer film of the lampshade when switched on. This interplay of light and shadow gives the light an incomparable atmosphere.

The generous dimensions and exceptional design make the S 6884 the ideal choice for prestigious areas such as upscale restaurants, hotel lobbies or exclusive event rooms. The use of energy-efficient LED technology not only produces brilliant light, but also enables sustainable operation.

Make a statement and create a unique atmosphere with the S 6884 – a masterpiece of light art.
