

Table lamp

S7462

Height: 45

Width: 21

Lighting: E14, LED

Shade: round

Shaft: round

The S 7462 table lamp impresses with its elegant design and versatile functionality. The high-quality fabric lampshade gives the lamp a timeless look and provides a pleasantly diffused light that immerses every room in an inviting atmosphere.

A precise swivel-tilt joint on the lamp head allows the light to be directed flexibly, while the slim round tube base offers stability and harmoniously complements the minimalist design.

This stylish lamp is the perfect choice for desks, bedside tables or side tables and fits effortlessly into any sophisticated interior design concept.
