PETERS LEUCHTEN

wall light

S7837

Height: 25

Width: 7

Lighting: LED

Shade: round

The S 7837 wall light combines stylish design with individual design. Its unique combination of natural wood and a metal surface in freely selectable RAL colors makes it the perfect choice for modern hotel and interior concepts.

The harmonious interplay of warm wood tones and colored metal edging sets stylish accents and creates a cozy lighting atmosphere. Whether as a subtle highlight or a bold design statement - the S 7837 adapts flexibly to any interior.

Ideal for hoteliers and interior designers who value tailor-made lighting and high-quality materials.
