UNITED ALABASTER

SOLARIS CTS-2530W | CTS-2520W

Table lamp

Table composed of an alabaster sphere mounted on a polished metal disc, it produces duplicated reflections. The glass shade allows the pleasant luminous effect of striped lights and reflections produced by the alabaster.

Mesa compuesta por una esfera de alabastro montada sobre un disco de metal pulido, produce reflejos duplicados. La pantalla de cristal permite los agradables efecto luminoso de luces rayadas y reflejos que produce el alabastro.
