WONDERGLASS

Whether luminous architecture or glass sculpture, Hollow makes bodiless light a tangible object. Hollow proposes a new concept of floor lamping, unlike the traditional light that serves to illuminate other objects, it commands centre stage. Hollow's shapely form lends sculptural gravitas – whether illuminated or dormant.

## MATERIALS

**Body** | Blown glass

**Ring** | Polyurethane

## COLOUR

**Body** | Crystal | Smoky brown | Blue

**Ring** | Bronze | Black

## DIMENSIONS
