

Fornax 7910-09...32

Pole 2 Lights H2280 LED

Rev. 18/03/2022

Fornax is a product featuring high quality materials that make it extremely reliable for outdoor use. There are two types of installation available: wall and floor mount to meet all different setting requirements. The diffuser made of tempered glass (available on request in opal polycarbonate) guarantees a constantly uniform distribution of light. The carefully researched design make Fornax the perfect product to bring harmony and elegance to your outdoor space without compromising on excellence and long-lasting efficiency.
