

Shoelaces

Technical information

The Shoelaces collection is made up of five models of hanging lamps handmade. Shades made with shoelaces in different colors (black, grey, red, fluor green and multi-colour). Steel structure painted in black. Shoelaces in different colors. Black electrical cable in fabrics. Cable length 2 m. Metal ceiling rose of Ø 8 cm or Ø 12 cm depending on the luminaire, painted in black that includes fixing system and electrical connection. Black electrical cable in fabrics. Adjustable self-locking stainless-steel suspension cables to make easier installation (only Gr and Billar hanging luminaires).

Design by Curro Claret

Dimensions cm / inches.
