

IL PEZZO **12** *Wall Sconce*

A female figure carrying in her womb the light.

Il Pezzo 12 is a female figure suspended in the air, carrying in her womb the light. It's nimble, refined, addictive. The solid crystal, illuminated by LEDs, creates suggestive refractions and it's suspended between brass stems finished in contrasting colours. Each lamp is numbered and hides its own identity stamp that seals and guarantees the authenticity and uniqueness.
