ABOUT COSMOS DISC

SUSPENSION by Jan Pauwels

Cosmos Disc looks structured but still harmonious. Modular placed LED circuit boards and tiny metal rods are the only two basic elements of this light fixture. They give the lamp its structure and shape. The circuit boards have leds on both sides. 2/3 of the light goes down and 1/3 goes up. (see model Universe Disc for the version with E10 lamps)

DIMENSIONS

Ø 120 cm 47.2 inch
H 35 cm 13.8 inch

CANOPY
