

# OPAL MINI ROUND

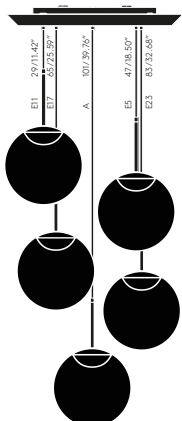

Opal is a family of translucent globes using our own custom recipe of tinted white opalescent polycarbonate. Semi translucent, they maintain an ethereal ghostliness in the daylight and at night form a perfectly illuminated sphere. Coupled with our new custom-made dimmable Tom Dixon LED, the Opal range emits a soft, diffused and flattering light.

**OPAL MINI ROUND PS EU**

**Code**  
OLPS0101-PEUM1

## OPAL MINI ROUND

### Process

Blow moulded opalescent polycarbonate shade with an injection moulded polycarbonate diffuser.

The round canopy is made from laser cut steel and vacuum formed white plastic.

### Cleaning Instructions

Clean with a soft dry cloth only. Do not use polishing agents, water or abrasive materials when cleaning. Always switch off the electricity supply before cleaning.
