

SUPERLOFT

B L A S C O
UNITED ALABASTER

SUPERLOFT 20-8781

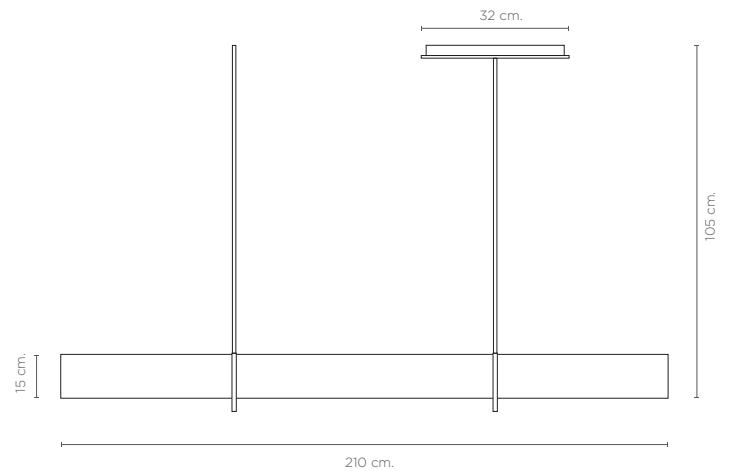

Ceiling lamp

Superloft is a piece whose design was born from the union between United Alabaster & ByBlasco. Design directed by the latter, it arises from the need to create a unique experience in a workspace. An ideal combination of technical and decorative lighting.

Superloft es una pieza cuyo diseño nace de la unión entre United Alabaster & ByBlasco. Diseño dirigido por este último, surge a partir de la necesidad de crear de un espacio de trabajo una experiencia única. Combinación ideal entre iluminación técnica y decorativa.
