

Zooid Suspended Pendant

Design by Albi Serfaty

The Zooid Suspended is an addition to the Zooid collection with its geometrical lines and its 3D shapes. The pendant lamp powered by two channel color temperature, controllable by Aqua Creation's App. This allows the user to define any desired color: from 3200 to 6000 Kelvin. Polymer over metal, 500 watts warm & cool white LED bulbs 100/100/70cm.

100-240 V
