Wall Light

HOPE

DESCRIPTION

Hope was designed by Armani/Casa for the private residences of Giorgio Armani, the Armani Hotels and the projects of the Interior Design Service of Armani/Casa. The structure of this wall light is taken from the base of the Donna table lamp. The structure is in metal with the diffuser in white fabric. Hope features a hook on the back to fix it easily on the wall.

Maintenance and disposal

Product designed for indoor use. Make sure that the surface does not stay in contact with water or other liquids, even for short periods. The product is made with finishes subject to deterioration if treated with unsuitable substances. Always use neutral and creamy cleaning solutions without alcohol or acids. Never use steel wool or abrasive sponges but a soft wet cloth. Dry thoroughly after each cleaning. The replacement of damaged parts must be done only with original pieces: in this case, please contact an official Armani/Casa dealer for assistance. At the end of its useful life, the product must be returned to an authorized collection center for disposal.
