Table Lamp

LOGO

DESCRIPTION

This table lamp was the very first product ever designed for Armani/Casa, back in 1982, by Giorgio Armani himself: for this reason, it became the logo of the brand. The satinated black metal structure features a double lampshade in the shape of a truncated pyramid, made in ivory metachrylate. Like all Armani/Casa lamps, Hope requires a power supply box (to be bought separately) to work.

Maintenance and disposal

Product designed for indoor use. Make sure that the surface does not stay in contact with water or other liquids, even for short periods. The product is made with finishes subject to deterioration if treated with unsuitable substances. Always use neutral and creamy cleaning solutions without alcohol or acids. Never use steel wool or abrasive sponges but a soft wet cloth. Dry thoroughly after each cleaning. The replacement of damaged parts must be done only with original pieces: in this case, please contact an official Armani/Casa dealer for assistance. At the end of its useful life, the product must be returned to an authorized collection center for disposal.
