ORNELLA

Table lamp

ORNELLA

DESCRIPTION

Ornella is a table lamp with a lacquered base, available in three different versions. The particular feature of the lamp is in the base, where the hexagonal top and bottom sides are linked by diagonal facets: the final effect is a twisted look, which gives a sense of movement to the whole piece. Shade in fabric, truncated cone shape, available in white or beige. Like all Armani/Casa lamps, Ornella requires a power supply box (to be bought separately) to work.

Maintenance and disposal

Product designed for indoor use. Make sure that the surface does not stay in contact with water or other liquids, even for short periods. The product is made with finishes subject to deterioration if treated with unsuitable substances. Always use neutral and creamy cleaning solutions without alcohol or acids. Never use steel wool or abrasive sponges but a soft wet cloth. Dry thoroughly after each cleaning. The replacement of damaged parts must be done only with original pieces: in this case, please contact an official Armani/Casa dealer for assistance. At the end of its useful life, the product must be returned to an authorized collection center for disposal.
