## Bijout Crab Princess

REFERENCE CT3257/8

### DESCRIPTION

As delicate as nature itself, the Bijout Collection is divided between romance and extravagance. The soft glass pieces are designed to contrast directly with the complex and detailed bronze structure, creating a perfect balance between light and movement, a dualism that presents endless possibilities of colours and sizes, guaranteeing refinement to any interior design concept. The extreme subtlety of the Bijout collection is ideal to make any dining table stand out, adapting to classic and modern interiors.
