Nenufar Blooming Medium

REFERENCE CT3377/12

DESCRIPTION

T

Ethereal and whimsical, the Nenufar Collection stands closely connected to its direct inspiration, the aqueous nature. Beyond its particular dense structure and closed shape in some designs, it seeks an uncanny levitating sense, allowing multiple perspectives through the carefully crafted Murano glass pieces. Through the glass specifications, the Nenufar achieves diffuse lighting providing an alluring romantic sense, reminiscent of the natural beauty of nature. Ideal for delicate interiors of vertical architecture.
