## Pathleaf Vine Small

REFERENCE AP1501/12

### DESCRIPTION

Inspired by a dense path of random falling leaves. As a lighting wonder, the Pathleaf Collection exists in high contrast for a differential and artistic outcome. It is quite a dramatic collection, closely connected to its nature inspiration, presented almost as an art installation, being able to embrace different designs and extensions. The Pathleaf allows modular choices and indirect light, conveying a visual arrangement of great dynamism and an organic complement for wall and ceiling decorations, just like a real natural painting of organic sculpture. Ideal for decoration of walls and ceilings with an artistic expression.
